## 2018 Membership Renewal structure change

January 3, 2018

Dear TIP Member,

On behalf of Turn In Poachers(TIP), thank you for your past support of TIP; we appreciate having you as a valued member of your organization.

The TIP Board of Directors has determined to make a change from the current membership structure. To date, membership status was created as a fiscal year (starting on the date you elected to join until the following year). The change is to a calendar year from January 1 through December 31 of each year. This will help in several ways:

- First, you as a member can know that if you enrolled within a given year, you have paid for that year, or intend to by attending an upcoming banquet/event.
- Second, by paying within the calendar year, you can attend additional TIP events without a membership cost. (if you have paid for that calendar year)
- Third, from the administrative aspect, we can focus on membership renewal once per year and avoid monthly expiration notices.
- Forth, TIP volunteers will send out renewal notices after our final fundraising events, allowing November and December as a membership "campaign" for the next year.

Your early renewal enables us to better plan our conservation programs for the coming year because we know we have your support. It also gives us the financial strength and stability we need to influence our states' lawmakers and others to protect wildlife.

All you have to do is return your enclosed membership renewal statement with your contribution. You may also log onto [www.turninpoachers.org](http://www.turninpoachers.org) to update your membership on line. You can also choose to attend a banquet near you. If you would like to start a banquet in your area, please contact Dennis Mackedanz at 218-326-8477 and he will assist you!

Sincerely,

Peter E. Lodermeier  
 President, Board of Directors

**YES, I want to renew my membership to TIP and continue to help save Minnesota's natural resources.**
