Did you know...?

Turn In Poachers is NOT part of the DNR and never has been. TIP receives no funding from the DNR or the state.

The **MONEY** needed to keep TIP operating comes from your membership fee, fund-raising banquets around the state and donations.

EVERYONE you see working for TIP is volunteering their time.

TIP is the **ONLY** organization in Minnesota protecting all species of wildlife and their habitat.

TIP was started in 1981 by a group of concerned **CITIZENS** and averages 1,000 calls per year referred to Conservation Officers, over 400 arrests made annually and over \$6,000 paid in rewards each year.

TIP Indoor Wall of Shame.
